

As of Friday, August 14, 2020, 34 C.F.R. § 106.45(b)(10)(i)(D) requires an institution to make materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process publicly available on its website.

Annual Training for Advanced Title IX Coordinators and Deputy Coordinators: August 2, 2022. Anyone who clicks the link will be taken to a landing page where they will be asked to provide their name and email and to agree to an acknowledgment regarding the purpose of access to the materials. They will then be able to access the training materials. *Please note that the materials may not be viewable while using Internet Explorer. We recommend viewing with a different browser.
