President's Council members make a positive impact on all aspects of a Luther education, and we celebrate their joyful generosity. I'm grateful for their extraordinary care and enthusiastic support for this institution and the learning opportunities we offer.

These steadfast donors see bright futures and exciting potential in all Luther students and want to support their college journeys.

I'm especially pleased to welcome the new Life Members of President's Council who attained this philanthropic milestone in 2022 for their cumulative generosity to Luther College!"

—President Jenifer K. Ward

"I'm tremendously grateful for the people and ideas I encountered during my time at Luther College. They opened my world in important ways and provided a firm foundation for life after Luther. Dave and I want to help make sure that students can continue to have the kinds of transformative experiences that Luther offers."

—Randa Duvick '78 and David Grosnick
